

WHATCOM COUNTY
EXECUTIVE ORDER 97-07

Establishment of Computer & Technology Advisory Committee

WHEREAS, pursuant to Whatcom County Code 2.76.040, internal service committees may be established within the Administrative Services Department, and

WHEREAS, the administration is desirous of establishing such a "Computer & Technology Advisory Committee" to perform the duties of reviewing and developing necessary strategies regarding the County's needs for computer and technological systems, evaluating and planning for the technological needs of the County, and recommending, when necessary, capital improvements to the technological system of the County, and

WHEREAS, representation on this committee shall be comprised of all elected officials and department heads, or their designee,

NOW, THEREFORE, by virtue of the power vested in me by the Home Rule Charter for Whatcom County, I hereby order, effective immediately, establishment of the Computer & Technology Advisory Committee, which shall be chaired by the Director of Administrative Services.

DATED this 27th day of June, 1997.
