

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.kp.org/wa or by calling 1-888-901-4636. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary or call 1-888-901-4636 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$250 individual/\$750 family. Goes to \$150 individual/\$450 family if you complete the Health assessment, \$350 individual/\$1,050 family if you don't. Shared in and out-of-network. Does not apply to in-network preventive care, outpatient services (except diagnostic test, imaging and outpatient surgery), prescription drugs, ambulance, in-network durable medical equipment.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Does not apply to <u>preventive care</u> , outpatient services (except diagnostic test, imaging and outpatient surgery), <u>prescription drugs</u> , <u>emergency medical transportation</u> , and in-network <u>durable medical equipment</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at www.healthcare.gov/coverage/preventive-care-benefits .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	There's a shared in/out-of-network \$3,000 individual/ \$9,000 family. There is also an ACA in-network limit of \$7,350 individual/ \$14,700 family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket</u> limits until the overall family <u>out-of-pocket</u> limit has been met.

Important Questions	Answers	Why This Matters:
<p>What is not included in the <u>out-of-pocket limit</u>?</p>	<p>Not included in the \$3,000 individual/\$9,000 family limits are premiums, balance-billed charges, office/hospital co-pays, benefit-specific coinsurances except ambulance, out-of-network preventive care coinsurance, prescription drug co-pays, deductible, and health care this plan doesn't cover. Not included in the \$7,350/\$14,700 are premiums, out-of-network charges, health care this plan doesn't cover, obesity treatment, and pediatric vision care.</p>	<p>Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u>.</p>
<p>Will you pay less if you use a <u>network provider</u>?</p>	<p>Yes. See www.kp.org/wa or call 1-888-901-4636 for a list of <u>network providers</u>.</p>	<p>This <u>plan</u> uses a provider <u>network</u>. You will pay less if you use a <u>provider</u> in the plan's <u>network</u>. You will pay the most if you use an <u>out-of-network provider</u>, and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.</p>
<p>Do you need a <u>referral</u> to see a <u>specialist</u>?</p>	<p>Yes. See www.kp.org/wa or call 1-888-901-4636 for a list of specialist providers.</p>	<p>This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u>.</p>

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
