.....

20.36.130 Administrative Approval Uses

.....

.137 Marijuana production facility; provided, that in addition to the criteria found in WCC [20.80.690](#) through [20.80.694](#):

(1) The facility shall not be located within 1,000 feet of a community center. The distance shall be measured as the shortest straight line distance from the property line of the proposed building/business location to the property line of the community center. The zoning administrator may waive this spacing requirement from community centers if the authorized representatives of all existing community centers within 1,000 feet provide a notarized written agreement as provided by the department consenting to the facility.

(2) The facility shall not be located within 300 feet of any existing residential unit not located on the same parcel as the facility. The distance shall be measured as the shortest straight line distance from the closest point of a single-family dwelling (structure) to any structure or fence used for the production of marijuana. The zoning administrator may waive this spacing requirement from residential units if the owners of all existing residential units within 300 feet provide a notarized written agreement as provided by the department consenting to the facility.

(3) On parcels smaller than four and one-half acres the facility shall not exceed a total of 2,000 square feet, except where the facility is contained within a building that existed on the effective date of the ordinance codified in this section.

.138 Marijuana processing facility; provided, that in addition to the criteria found in WCC [20.80.690](#) through [20.80.694](#) and WCC [20.84.235](#):

(1) The facility is accessory to the on-site production of marijuana.

(2) The facility shall not be located within 300 feet of any existing residential unit not located on the same parcel as the facility. The distance shall be measured as the shortest straight line distance from the closest point of a single-family dwelling

(structure) to any structure or fence used for the processing of marijuana. The zoning administrator may waive this spacing requirement if the owners of all existing residential units within 300 feet provide a notarized written agreement as provided by the department consenting to the facility.

(3) On parcels smaller than four and one-half acres the total area used for marijuana processing and production shall not exceed 2,000 square feet, except where the facility is contained within a building that existed on the effective date of the ordinance codified in this section.

20.40.050 Permitted Uses

.....

.059 Marijuana production facility; provided, that in addition to the criteria found in WCC [20.80.690](#) through [20.80.694](#):

(1) The facility shall not be located within 1,000 feet of a community center. The distance shall be measured as the shortest straight line distance from the property line of the proposed building/business location to the property line of the community center. The zoning administrator may waive this spacing requirement from community centers if the authorized representatives of all existing community centers within 1,000 feet provide a notarized written agreement as provided by the department consenting to the facility and the waiver is approved through an administrative approval process per WCC 20.84.235.

(2) The facility shall not be located within 300 feet of any existing residential unit not located on the same parcel as the facility. The distance shall be measured as the shortest straight line distance from the closest point of a single-family dwelling (structure) to any structure or fence used for the production of marijuana. The zoning administrator may waive this spacing requirement from residential units if the owners of all existing residential units within 300 feet provide a notarized written agreement as provided by the department consenting to the facility, and the waiver is approved through an administrative approval process per WCC [20.84.235](#).

**Chapter 20.80
SUPPLEMENTARY REQUIREMENTS**

.....

20.80.210 Minimum setbacks

.....

(5) Setbacks

.....

(b) Setbacks Table.

.....

Agricultural (AG)							
<i>Road Type</i>						<i>Other</i>	
Commercial, Industrial, I-5, State Hwys, Principal & Minor Arterials	Collector Arterials or Major Collectors	Minor Collectors	Local Access Streets	Neighborhood Collector	Minor Access Streets	Side Yard	Rear Yard
50'	50'	50'	50'	50'	50'	20'	20'
<p>1. The 50-foot front yard setback requirement for new buildings or additions may be waived if the zoning administrator finds the new building or addition is located along the same building line(s) of existing structures and will result in no additional encroachment and the public interest, safety and health are protected; provided, that for a new building the applicant shall also demonstrate that the proposed location is necessary for the economic viability and the continued operation of the agricultural use.</p> <p>2. The minimum separation between new residences not located on the same property and farm uses such as barns, pens, milking sheds, or areas used to contain, house or feed animals or store manure or feed shall be 300 feet. New farm uses such as barns, pens, milking sheds, or areas used to contain, house or feed animals or store manure or feed shall be situated at least 150 feet from existing residences not located on the same property. Expansion of existing facilities within the 150-foot buffer, providing such expansion is not closer to a neighbor's residence, and pastures are excluded from this section's requirements.</p> <p>3. Parcels of less than five nominal acres shall have the following minimum setbacks:</p> <p>Front yards:</p> <ul style="list-style-type: none"> – Primary arterials and secondary arterials: 45 feet. – Collector arterials: 35 feet. – Neighborhood collectors, local access streets: 25 feet. – Minor access streets: 20 feet. <p>Minimum front yard requirements can be reduced by the zoning administrator for boundary</p>							

line adjustments or farmstead parcels established through WCC [20.40.253](#) and [20.40.254](#) if the proposed placement of the structures will result in a better fit with critical areas or prime soils and goes through the approval process in Chapter [21.03](#) WCC. In no case shall front yard depth be less than 20 feet.

Side yards: minimum side yard setbacks shall be five feet. For boundary line adjustments or farmstead parcels established through WCC [20.40.253](#) and [20.40.254](#), the exterior side yard and exterior rear yard requirements of habitable structures shall be 30 feet.

Rear yards: minimum rear yard setbacks shall be five feet.

4. A marijuana production or processing facility shall not be located within 1,000 feet of a community center. The distance shall be measured as the shortest straight line distance from the property line of the proposed building/business location to the property line of the community center. The zoning administrator may waive this spacing requirement from community centers if the authorized representatives of all existing community centers within 1,000 feet provide a notarized written agreement as provided by the department consenting to the facility and the waiver is approved through an administrative approval process per WCC 20.84.235.

5. A marijuana production or processing facility shall not be located within 300 feet of any existing residential unit not located on the same parcel as the facility. The distance shall be measured as the shortest straight line distance from the closest point of a single-family dwelling (structure) to any structure or fence used for the production or processing of marijuana. The zoning administrator may waive this spacing requirement from residential units if the owners of all existing residential units within 300 feet provide a notarized written agreement as provided by the department consenting to the facility, and the waiver is approved through an administrative approval process per WCC [20.84.235](#).

6. A 10-foot setback from the international border between Canada and the United States shall be maintained as an open space vista. The 10-foot setback area may be used for landscaping, agriculture, and natural vegetation. Structures may only be built within the 10-foot setback area after approval from the International Boundary Commission.

.....

Rural Forestry (RF)							
Road Type						Other	
Commercial,	Collector	Minor	Local	Neighborhood	Minor	Side	Rear

Industrial, I-5, State Hwys, Principal & Minor Arterials	Arterials or Major Collectors	Collectors	Access Streets	Collector	Access Streets	Yard	Yard
45'	35'	25'	25'	25'	20'	20'	20'
<i>Water Resource Protection Overlay</i>							
30'	30'	20'	20'	20'	20'	20'	20'

1. Setbacks shall be increased to 100 feet for those parcels in the Rural Forestry Zone situated adjacent to the Commercial Forestry Zone, except that such parcels whose owners have filed an agreement with the county auditor as specified in WCC [20.42.651](#) shall be subject to the standard setback of the Rural Forestry Zone. Forest industry buildings, stationary equipment or storage areas excluding scaling stations and watchman's stations shall not be located within 100 feet of any other zone district.

2. Parcels utilized solely for community centers shall observe the following minimum setback requirements: front yard: 50 feet; side yard: 25 feet; rear yard: 25 feet.

3. When a permitted residence (WCC [20.42.056](#)) adjoins an existing parcel of 20 acres or more in size or a parcel that is being cultivated for commercial forestry production, a minimum building setback of 100 feet shall be established from the common property line.

4. Lummi Island scenic estates setbacks shall be administered under the Rural Residential Island setback standards.

5. A 10-foot setback from the international border between Canada and the United States shall be maintained as an open space vista. The 10-foot setback area may be used for landscaping, agriculture, and natural vegetation. Structures may only be built within the 10-foot setback area after approval from the International Boundary Commission.

6. A marijuana production or processing facility shall not be located within 1,000 feet of a community center. The distance shall be measured as the shortest straight line distance from the property line of the proposed building/business location to the property line of the community center. The zoning administrator may waive this spacing requirement from community centers if the authorized representatives of all existing community centers within 1,000 feet provide a notarized written agreement as provided by the department consenting to the facility and the waiver is approved through an administrative approval process per WCC 20.84.235.

7. A marijuana production or processing facility shall not be located within 300 feet of any existing residential unit not located on the same parcel as the facility. The distance shall be measured as the shortest straight line distance from the closest point of a single-family dwelling (structure) to any structure or fence used for the production or processing of marijuana. The zoning administrator may waive this spacing requirement from residential units if the owners of all existing residential units within 300 feet provide a notarized written agreement as provided by the department consenting to the facility, and the waiver is approved through an administrative approval process per WCC [20.84.235](#).

Rural (R)							
<i>Road Type</i>						<i>Other</i>	
Commercial, Industrial, I-5, State Hwys, Principal & Minor Arterials	Collector Arterials or Major Collectors	Minor Collectors	Local Access Streets	Neighborhood Collector	Minor Access Streets	Side Yard	Rear Yard
45'	45'	35'	25'	25'	20'	5' ¹	5' ¹
<i>Water Resource Protection Overlay</i>							
30'	30'	20'	20'	20'	20'	5'	5'

1. Setbacks shall be increased to 100 feet for those parcels situated adjacent to the Commercial Forestry Zone District, except that such parcels whose owners have filed an agreement with the county auditor as specified in WCC [20.36.651](#) shall be subject to the standard setback in WCC [20.80.210](#).
2. Lots created after 2001 through the cluster provisions, or lots created through the APO provisions which will be used for human habitation, shall be set back a minimum of 100 feet from the property line of any parcel or portion thereof which is designated or used for agricultural purposes. No structures shall be constructed within 30 feet of exterior, side and rear property lines, and no structure shall be constructed within 30 feet of an agricultural use. Subject to any further requirements within Chapter [20.38](#) WCC, Agriculture Protection Overlay.

3. A 10-foot setback from the international border between Canada and the United States shall be maintained as an open space vista. The 10-foot setback area may be used for landscaping, agriculture, and natural vegetation. Structures may only be built within the 10-foot setback area after approval from the International Boundary Commission.

4. A marijuana production or processing facility shall not be located within 1,000 feet of a community center. The distance shall be measured as the shortest straight line distance from the property line of the proposed building/business location to the property line of the community center. The zoning administrator may waive this spacing requirement from community centers if the authorized representatives of all existing community centers within 1,000 feet provide a notarized written agreement as provided by the department consenting to the facility.

5. A marijuana production or processing facility shall not be located within 300 feet of any existing residential unit not located on the same parcel as the facility. The distance shall be measured as the shortest straight line distance from the closest point of a single-family dwelling (structure) to any structure or fence used for the production or processing of marijuana. The zoning administrator may waive this spacing requirement from residential units if the owners of all existing residential units within 300 feet provide a notarized written agreement as provided by the department consenting to the facility, and the waiver is approved through an administrative approval process per WCC [20.84.235](#).

¹Roof overhangs or other architectural features shall not project further than 18 inches into the side or rear yard setbacks. Such overhangs may extend six feet into the front yard setback; however, in no case will they extend more than one-half the depth of the front yard setback.

.....

20.80.250 Special setback provisions by district.

.....

20.80.252 Rural District.

(1) Rural District Setbacks. Setbacks shall be increased to 100 feet for those parcels situated adjacent to the Commercial Forestry Zone District, except that such parcels whose owners have filed an agreement with the county auditor as specified in WCC [20.36.651](#) shall be subject to the standard setback in WCC [20.80.210](#).

(2) A marijuana production or processing facility shall not be located within 1,000 feet of a community center. The distance shall be measured as the shortest straight line distance from the property line of the proposed building/business location to the property line of the community center. The zoning administrator may waive this spacing requirement from community centers if the authorized representatives of all existing community centers within 1,000 feet provide a notarized written agreement as provided by the department consenting to the facility.

(3) A marijuana production or processing facility shall not be located within 300 feet of any existing residential unit not located on the same parcel as the facility. The distance shall be measured as the shortest straight line distance from the closest point of a single-family dwelling (structure) to any structure or fence used for the production or processing of marijuana. The zoning administrator may waive this spacing requirement from residential units if the owners of all existing residential units within 300 feet provide a notarized written agreement as provided by the department consenting to the facility, and the waiver is approved through an administrative approval process per WCC [20.84.235](#).

.....

20.80.255 Agriculture District.

(1) The 50-foot front yard setback requirement for new buildings or additions may be waived if the zoning administrator finds the new building or addition is located along the same building line(s) of existing structures and will result in no additional encroachment, and the public interest, safety and health are protected; provided, that for a new building the applicant shall also demonstrate that the proposed location is necessary for the economic viability and the continued operation of the agricultural use.

(2) The minimum separation between new residences not located on the same property and farm uses such as barns, pens, milking sheds, packinghouses and slaughterhouses, or areas used to contain, house or feed animals or store manure or feed, shall be 300 feet. New farm uses such as barns, pens, milking sheds, or areas used to contain, house or feed animals or store manure or feed shall be situated at least 150 feet from existing residences not located on the same property. Expansion of existing facilities within the 150-foot buffer, providing such expansion is not closer to a neighbor's residence, and pastures are excluded from this section's requirements.

(3) The minimum separation between packinghouses/slaughterhouses and schools shall be 500 feet.

(4) The minimum separation between packinghouses/slaughterhouses and adjacent property lines shall be 150 feet.

(5) A marijuana production or processing facility shall not be located within 1,000 feet of a community center. The distance shall be measured as the shortest straight line distance from the property line of the proposed building/business location to the property line of the community center. The zoning administrator may waive this

spacing requirement from community centers if the authorized representatives of all existing community centers within 1,000 feet provide a notarized written agreement as provided by the department consenting to the facility and the waiver is approved through an administrative approval process per WCC 20.84.235.

(6) A marijuana production or processing facility shall not be located within 300 feet of any existing residential unit not located on the same parcel as the facility. The distance shall be measured as the shortest straight line distance from the closest point of a single-family dwelling (structure) to any structure or fence used for the production or processing of marijuana. The zoning administrator may waive this spacing requirement from residential units if the owners of all existing residential units within 300 feet provide a notarized written agreement as provided by the department consenting to the facility, and the waiver is approved through an administrative approval process per WCC [20.84.235](#).

20.80.256 Forestry districts. (Adopted by reference in WCCP Chapter 2.)

(1) Setbacks shall be increased to 100 feet for those parcels in the Rural Forestry Zone situated adjacent to the Commercial Forestry Zone, except that such parcels whose owners have filed an agreement with the county auditor as specified in WCC [20.42.651](#) shall be subject to the standard setback in WCC [20.80.210](#). Forest industry buildings, stationary equipment or storage areas excluding scaling stations and watchman's stations shall not be located within 100 feet of any other zone district.

(2) Parcels utilized solely for community centers shall observe the following minimum setback requirements: front yard: 50 feet; side yard: 25 feet; rear yard: 25 feet.

(3) Where a parcel had been created pursuant to the rural forestry district's clustering provision or when a permitted residence (WCC [20.42.056](#)), adjoins an existing parcel of 20 acres or more in size or a parcel that is being cultivated for commercial forestry production, a minimum building setback of 100 feet shall be established from the common property line.

(4) For parcels of less than five nominal acres, unless the provisions of subsection (2) of this section are applicable, the zoning setback established by the zoning district shall be observed.

(5) In the Rural Forestry Zone, aA marijuana production or processing facility shall not be located within 1,000 feet of a community center. The distance shall be measured as the shortest straight line distance from the property line of the proposed building/business location to the property line of the community center.

The zoning administrator may waive this spacing requirement from community centers if the authorized representatives of all existing community centers within 1,000 feet provide a notarized written agreement as provided by the department consenting to the facility and the waiver is approved through an administrative approval process per WCC 20.84.235.

(6) In the Rural Forestry Zone, aA marijuana production or processing facility shall not be located within 300 feet of any existing residential unit not located on the same

parcel as the facility. The distance shall be measured as the shortest straight line distance from the closest point of a single-family dwelling (structure) to any structure or fence used for the production or processing of marijuana. The zoning administrator may waive this spacing requirement from residential units if the owners of all existing residential units within 300 feet provide a notarized written agreement as provided by the department consenting to the facility, and the waiver is approved through an administrative approval process per WCC [20.84.235](#).

.....

Chapter 20.97 DEFINITIONS

.....

20.97.070 Community center.

“Community center” means land and/or building(s) owned by a public agency or private nonprofit entity used for social, civic, educational, religious, or recreational purposes, which serves mainly the community where located; including but not limited to community halls and centers, grange halls, senior citizen centers, teen centers, youth clubs, field houses, and churches. The facilities are available for occasional public meetings. They may also have the minimal kitchen facilities required for occasional banquets. Private clubs as defined in this ordinance are not included.

.....
