Summer Fuel Truck Schedule Change

In an effort to maximize service, we will be limiting propane and fuel deliveries during the months of July and August. During these months, we will welcome propane and fuel trucks on Thursdays only. This change is in effect July 8, 2019 thru September 2, 2019.

We encourage Islanders and their fuel providers to plan accordingly.

ATTENTION Fuel Providers: Fuel delivery trucks will be loaded on a first come first serve basis, no extra runs will be made for fuel delivery trucks left behind.

Public Works would like to thank everyone for their patience with this change for the summer season.
