

## **\*\*Press Release\*\***

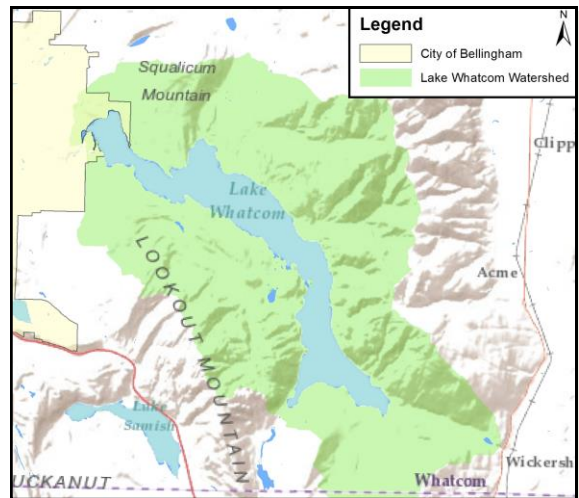

### **PUBLIC INPUT WANTED TO IDENTIFY STORMWATER PROBLEMS IN THE LAKE WHATCOM WATERSHED**

You are invited to a public meeting on April 28, 2016, to provide information on surface water problems in the Lake Whatcom watershed and learn about current stormwater management planning efforts. Your input will be used by Whatcom County to help identify future water quality projects and update the capital project section of the *Lake Whatcom Comprehensive Stormwater Plan*.

**THURSDAY, APRIL 28, 2016**

6:00—7:30 PM

Bloedel Donovan Park Multi-Purpose Building  
2214 Electric Avenue, Bellingham, WA 98226

Sign-up to receive future notifications of this planning effort at
