RE: South Yew Street Annexation

Dear Council Members:

My wife and I own property within the proposed South Yew Street Annexation area and OPPOSED ANNEXATION of this area into the City of Bellingham. We recently purchased the property at 2010 Governor Rd. (approximately 4.8 acres) with the understanding that this area was being removed from the UGA and being placed into the UGA reserve. We SUPPORT ADDITION TO THE UGA RESERVE. We would like this area to remain rural.

Unfortunately we will be out of the country during the informational meeting on Sept. 14 and the Whatcom County Council meeting on Sept. 17. Please accept this letter in our absence.

Sincerely,

J. Chris Sandvig
