On July 10, 2023, Friends of the San Juans, filed the above referenced appeal of a Mitigated Determination of Non-Significance, prepared by Whatcom County Planning and Development Services. The property is located at 3901 Unick Road, Ferndale, Washington. APN 390133197340 0000.

WCC 22.05.160 (b) requires the Hearing Examiner to schedule a Public Hearing on an Administrative Appeal within 60 days of the filing of the Appeal. In order to comply with this requirement APL 2023-00012 is hereby set for hearing in the Whatcom County Council Chambers on September 6, 2023 at 1:30 pm.

This Appeal appears to raise similar issues to those recently resolved by the Court of Appeals in a matter involving the same parties. The Hearing Examiner is requesting the parties review this matter in view of the recent decision to ascertain if an agreed resolution is attainable. The Hearing Examiner is also requesting the parties arrange a briefing schedule and file it with the Hearing Examiner's Office by August 1. If there are pre-hearing issues that require a pre-hearing conference one can be scheduled.

DATED this 21st day of July, 2023
