

Nooksack Salmon Enhancement Association's

Terrell Creek Work Party

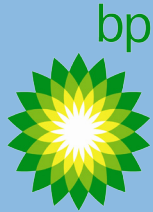

Join NSEA, The Whatcom Conservation District and BP Cherry Point to help restore streamside salmon habitat. We'll bring the tools and gloves – all you have to do is wear sturdy shoes and weather-appropriate clothing. From Bellingham, head north on I-5 and take exit #266/Grandview. Go west for about 7 miles then take a right at the stop sign onto Jackson Road. Check in at the blue NSEA tents. Snacks courtesy of The Bagelry, Starbucks and the Community Food Co-Op. Coffee provided thanks to NSEA's official coffee sponsor Tony's Coffee.

Saturday

April 8, 2017

9 - 12 pm

Bring your friends, family, and enthusiasm and we'll see you at the creek! *Minors under the age of 18 must have a parent or guardian present or have a signed Liability Form to participate. Liability Forms can be found at n-sea.org under the "Work Party" tab.

NSEA strives to recover salmon by engaging our community in restoration, education and stewardship.
