

June 12, 2018

FOR IMMEDIATE RELEASE:

Silver Lake Main Road Closure

Both lanes of Silver Lake Main Entrance Road will be closed on Thursday, June 14, 2018 for repaving. The closure will be from the intersection with Silver Lake Road, beyond Maple Creek Campground, all the way to the Boat Launch, as shown in red in the map below. The closure will affect visitors both entering and leaving Silver Lake Park. Access to the park can still be gained by parking in the Group Campground or Red Mountain Campground and walking in. The road is expected to be reopened by 8:00 PM.

Paving is dependent on the weather and will be rescheduled for a later date if it rains.

For more information, please contact Whatcom County Parks & Recreation at 360-778-5850.
