

PRESS RELEASE

April 25, 2019

Roberts Road Closure

Roberts Road will be closed approximately 1,200-feet north of Goshen Road beginning Monday, April 29 for the Roberts Road/Anderson Creek Bridge No. 249 Replacement Project. A signed detour route will be in place. It is anticipated that Roberts Road will be closed at this location through October 2019 for completion of the new bridge.

Additional project information can be viewed at the project website located at the following link:
