TOTAL HOURS				

Community service will only be accepted from 501(c)(3) designated community based non-profit agencies. The hours worked must be for the benefit of the community and not for the individual. Participation in a training program or a school setting does not qualify as community service. The person performing the community service cannot receive compensation of any type (financial or other) for the work performed.

I verify the person has performed the community service work as stated above.
