**Subject:** Support for the approval of the interim moratorium on the export of unrefined fossil fuels out of Cherry Point

Dear Whatcom County Council:

I am calling on you to approve the ordinance imposing an interim moratorium on the acceptance and processing of applications and permits for new or expanded facilities in the Cherry Point UGA, the primary purpose of which would be the shipment of unrefined fossil fuels not to be processed at Cherry Point.

I am grateful that Council has been keeping this protection in place thus far, pending the approval of code that reflects our critical needs to address the climate crisis and to adequately protect and prioritize the culturally and environmentally sensitive lands and waters at Cherry Point.

Sincerely,  
Dena Jensen  
Birch Bay, WA
