Subject: Cherry Point Moratorium

Councilmembers,

I urge you to extend the moratorium on Cherry Point development. I also urge you to seek some new options for using the land at Cherry Point that will support our economy and not endanger the health of our county. Shipping of unrefined fossil fuels from this port endangers the Salish Sea while encouraging the continued use of fossil fuels when we should be moving to cleaner sources of energy.

Thank you for your work on this measure

Annette Holcomb
