Subject: Cherry Point Extension

My husband and I support the Whatcom County council **approving a 6 month extension** to properly review and hopefully approve the new code amendments aimed at protecting the Salish Sea and Whatcom county resident life. Thank you for acting in favor of strong environmental policy, without which the quality of life we all enjoy could be seriously endangered. The Cherry Point terminal is an important part of local industry but must be controlled through legislation to ensure safe standards.

Thank you for all your hard work on behalf of Whatcom County residents ~ Sarah and Paul Vautaux
