

Mobility for All

Whatcom County ADA Transition Plan

In compliance with Title II of the Americans with Disabilities Act (ADA), Whatcom County is preparing an ADA Transition Plan.

County staff is seeking feedback and input from the community to help identify barriers to mobility. Examples include: blocked or uneven sidewalks, inadequate ADA parking, curb ramps without detectable warning surfaces, etc.

In addition to identifying barriers, staff is also looking for feedback on prioritizing which barriers should get fixed first.

Where do you encounter gaps and barriers?

What areas are most important to you?
