**Subject:** Cherry Point Comprehensive Plan and Code

My name is Ryan Kildall and I work at the Phillips 66 Ferndale Refinery. I am in OPPOSITION to the County's proposed changes to the Cherry Point Comprehensive Plan and Code. I oppose these proposed changes because they will prevent permit approvals for future projects at the refinery, including safety and infrastructure upgrades. These upgrades are vital for worker safety and to ensure the refinery remains a viable asset and that I have a job to support my family. Please do not impose these changes that will kill the refining industry in Whatcom County. The oil industry is a worldwide market. The proposed amendments ONLY apply to Oil Refineries in Whatcom county, unfairly penalizing ONLY our refinery and our jobs.

Thank you,

Ryan Kildall  
Operations Coordinator, Ops dept.
