County Council,

My name is Chris Valdez and I work at the Phillips 66 Ferndale Refinery as an Operations Coordinator. Thank you for the opportunity to testify in OPPOSITION to the County's proposed changes to the Cherry Point Comprehensive Plan and Code. I oppose these proposed changes because they will prevent permit approvals for future projects at the refinery, including safety and infrastructure upgrades. These upgrades are vital for worker safety and to ensure the refinery remains a viable asset and that I have a job to support my family. Please don't jeopardize my job, my safety, and the safety of my coworkers.

Chris Valdez  
Operations Coordinator
