My name is Amy Wheeler and I work at Western Refinery Services who is a contractor at Phillips 66 Refinery. Thank you for the opportunity to testify in **OPPOSITION** to the County's proposed changes to the Cherry Point Comprehensive Plan and Code. I oppose these proposed changes because they will prevent permit approvals for future projects at the refinery, including safety and infrastructure upgrades. These upgrades are vital for worker safety and to ensure the refinery remains a viable asset and that I have a job to support my family. Please do not impose these changes that will kill the refining industry in Whatcom County.
