Subject: Climate change initiatives

Hello,

Just wanted to let you know that I've been reading/hearing a barrage of advertisements from the fossil fuel industry concerning Whatcom county climate change initiatives.

I want you to know that I voted for council members who are willing to work to reduce our impact on climate change despite pushback from the fossil fuel industry. These changes will not be easy. We all know that. But they must be done.

I support you in your efforts. Don't give up. I've got your back!

Thank you, Ruth Nims
