Paula Harris (360) 778-6285  
[pharris@co.whatcom.wa.us](mailto:pharris@co.whatcom.wa.us)

Deb Johnson (360) 778-6288  
[djohnson@co.whatcom.wa.us](mailto:djohnson@co.whatcom.wa.us)

#### Please join us to learn more about the Nooksack River Floodplain Integrated Planning (FLIP) Process

##### What is FLIP?

- A local planning process to update and broaden the 1999 Lower Nooksack River Comprehensive Flood Hazard Management Plan
- An integrated effort to address flooding, salmon needs, and floodplain land uses

##### Meeting Purpose:

- Provide information on flooding, salmon needs, land use, and the FLIP process
- Get your input to identify and prioritize potential projects
- Focus of this meeting will be the mainstem river downstream of Deming
