

Compassion keeps our community strong.

Have compassion for others.

- Viruses don't discriminate based on race, ethnicity, or cultural background. This kind of stigma makes any situation worse, not better!
- Everyone reacts differently to stressful situations. Practice compassion towards others who may have a difficult time dealing with stress.

Have compassion for people who are sick or social distancing.

- Reach out virtually to someone you care about who is at home sick or in self-quarantine.
- If you see someone in public coughing or sneezing, be kind. Offer a tissue, or kindly suggest they cough into their elbow.

Have compassion for yourself.

- Make time to unwind and remind yourself that strong feelings will fade.
- Take breaks from watching, reading, or listening to news stories.
- Ask for help if you feel overwhelmed or concerned that COVID-19 is affecting your ability to function. It's ok to reach out to your primary care provider, a counselor, or faith leader for support.
