PRESS RELEASE

Whatcom County Parks High Power Range at Plantation Rifle Range is Open

Whatcom County Parks and Recreation has opened the High Power Range at Plantation Rifle range in accordance with the Governor Inslee's guidance on recreational activities. The High Power range will begin normal operating hours and days beginning Saturday, May 16th. The updated range schedule can be found online [here](#).

The High Power range will operate at 50% capacity, with every other bench remaining closed to maintain social distancing.

The Small Bore range remains closed at this time.

We continue to assess use and operations to ensure public and employee safety.

More information about all Parks and Recreation operational changes related to COVID-19 can be found online [here](#).
