# East Smith Road Pavement Rehabilitation Project July -Sept. 2020

THANK YOU  
FOR YOUR  
PATIENCE

## Major Project Impacts:

1. Drivers should expect delays during the project period from July - September 2020 and are encouraged to use alternate routes whenever possible.
2. The impacted area is E. Smith Road from Hannegan Road to SR 542 - Mount Baker Highway shown as a blue dashed line on the map above.
3. A culvert replacement is part of this project and will close East Smith Road between Sand Road and SR-542 (Mount Baker Hwy.) for about two weeks.
4. The intersection of East Smith Road and Everson/Goshen Road will be converted back to a 4-way stop.
5. More information on the project website: [www.whatcomcounty.us/ESmithPaving](http://www.whatcomcounty.us/ESmithPaving)
