Subject: Cherry Point

Hello,

I am writing to urge you to end the moratorium at Cherry Point. It has gone on for way too many years already. The jobs at Cherry Point are extremely valuable to our community. My family does not have any direct ties to Cherry Point, but our residential construction business does occasionally work for employees of Cherry Point. Their high-wage jobs do trickle down to impact many other businesses in this area. With struggling businesses and soaring unemployment in our state, these jobs are more important than ever!
