Hi Folks === Open Letter to the Whatcom County Counsel 6 / 1 / 2020

We have a gold star in Cherry Point. The County Council believes other wise. I have been a farmer sense 1946, I know what works and what doesn't. Cherry Point can be a great terminal for agricultural products ,and business export, Rather than farm goods sent to other ports, also let the oil trains and coal trains not drive by to Vancouver BC. non-stop. I need you wake up, how are we to get new or enlarged businesses to come here or them to stay when you keep holding your foot on the brake. Taxes, made up restrictions, to many loops to jump through. Let Whatcom County breath, Terminate the moratorium, If any of you have honor and that's driven by your heart, VETO the moratorium=Please

This means a lot to me and many other business. Economy shall be in a long term recovery because of Pandora # 19. We all business here to survive. What is your budget going to look like when the numbers come in.= Agian VETO the moratorium it's a dead anchor
