Subject: I support the Cherry Point Moratorium

Dear Whatcom County Council,

I'm writing to urge you to extend the ordinance protecting Cherry Point from fossil fuel exports.

Whatcom County set an example when we passed this moratorium in 2016. The Planning Commission has worked towards a permanent set of policies for almost a year now, and allowing the moratorium to expire now would undermine all of their work.

Please vote in favor of our future by extending the moratorium for another six months while the permanent ordinance language is developed.

Thank you for your consideration and thoughtful leadership on this important issue. I look forward to joining the hearing this Tuesday.

Sincerely,  
Carl Ullman
