Subject: Vote YES to Protect Cherry Point

Dear Whatcom County Council,

I am a resident of Whatcom County and I'm writing to urge you to extend the ordinance protecting Cherry Point from fossil fuel exports.

The Planning Commission is working towards a permanent set of policies, and allowing the moratorium to expire now would undermine all of their work. Please vote in favor of our future by extending the moratorium for another six months while the permanent ordinance language is developed.

Thank you for your consideration on this important issue.

Sincerely,
Tamora Kimmitt
