Subject: Moratorium vote NO

Dear Council,

Please vote no on the moratorium against the Cherry Point Industrial Zone. This county cannot afford to lose any more living-wage jobs. The loss of Intalco is devastating enough to the local economy. BP Cherry Point and the Phillipps 66 Ferndale Refinery are good neighbors. They contribute to this county's tax base. They donate significant funds for county projects, community organizations, and schools. They are excellent stewards of our environment and responsible partners in our community.

Do not extend the moratorium.

Thank you,
Susan Brown
