Subject: Council Hearing June 2nd

Dear Whatcom County Council,

I am a resident of Bellingham, Whatcom County and I am writing asking you to extend the moratorium on shipping unrefined fossil fuels from the Cherry Point docks.

the work of the Planning Commission needs to be respected and the moratorium needs to be continued to allow them to complete their work.

Please vote in favor of our future by extending the moratorium for another six months while the permanent ordinance language is developed.

Thank you for your consideration and thoughtful leadership on this important issue. I look forward to joining the hearing this Tuesday.

Sincerely,  
Cindy Cole
