Subject: Birch Equipment Cherry Point Moratorium Comments

Good afternoon,

Attached are comments from Birch Equipment as the Whatcom County Council considers the 9th moratorium on the Cherry Point Industrial area.

Thank you for the opportunity to comment.

-- Birch Equipment

Construction - Industrial - Home Improvement

Birch is open, delivering and supporting essential infrastructure -- governments, medical facilities, utilities & businesses. Birch also carries a huge selection of [home](#), [lawn and garden equipment](#), tools and products.
