Subject: Keep the Cherry Point fossil fuel moratorium

Honorable Councilmembers ,

To protect the people and natural resources of Whatcom County from risky expansions that would bring more crude oil, tar sands bitumen, fracked gas, propane or coal through our towns, farmland, and waterways, I am urging the Council to act once more for our common interests.

Please continue the moratorium on permits that would increase the shipment of unrefined fossil fuels through Cherry Point.

Renew the moratorium. Protect the Salish Sea. PLEASE!
