

Nooksack River Floodplain Integrated Planning (FLIP)

Reach 2 Team Charrette

Date: February 4, 2020

Time: 8:30 am to 4:00 pm

Location: Ferndale Events Center - 5715 Barrett Road, Ferndale

MEETING PURPOSE

- To conduct a value planning charrette to understand physical processes that affect fish and floods in Reach 2;
- To identify opportunities and challenges to be overcome; and
- To develop integrated adaptive strategies and actions to guide Whatcom County and the affected communities.

NOTE: "Integrated adaptive strategies" and actions are solutions that are consistent with a broad range of values and givens in the reach.
