To: [PDS Planning Commission](#)
Subject: Virtual commission meetings
Date: Thursday, August 06, 2020 2:41:40 PM

To whom it may concern:

I am writing to express my concern for virtual commission meetings. The audience is not able to participate in it and it seems to not be as effective as a socially distanced meeting could be.

Urge the planning commission to be responsible but have in-person meetings.

Sincerely,

David Lukens - 2nd generation, owner
