Subject: Protect Jobs In Whatcom County. Support Cherry Point.
Date: Tuesday, August 11, 2020 12:50:35 PM

Dear Planning Commission County,

Dear Members of the Whatcom County Planning Commission:

Whatcom county can literally not take anymore losses of family wage jobs. Without cherry point jobs whatcom county will shrivel and die. I have watched so many amazing income opportunities pass our county by. Without cherry point there will be a mass exodus. Save cherry point, save whatcom county!

Sincerely,

Brittin Olson
