LADY BUG, LADY BUG, FLY AWAY HOME. YOUR HOUSE IS ON FIRE, AND YOUR CHILDREN WILL BURN!

Planning Commission and Council men and women. Our HOME PLANET is on FIRE NOW! 125 degrees in Bagdad NOW!. Siberia is having 100 degree temperatures! WE HAVE ONLY 10 YEARS before any changes we make will be TOO LATE for HUMANITY!

WE MUST TAKE RADICAL ACTION NOW! Can you imagine the reality of such a horrific future for your children and grandchildren, much less for future generations?

What kind of ancestor are you going to be today that future generations will look back and praise you or curse you.

THIS IS REAL. Your decisions tomorrow night must be as protective to land, water, air and public health as ULTIMATELY possible before you begin your final review this fall.

Thank you. DO THE RIGHT THING for LONG TERM GAINS.

Sincerely,
Beth Brownfield
