WHATCOM COUNTY
FIRE PROTECTION DISTRICT NO. 1

RESOLUTION PROVIDING FOR THE SUBMISSION OF LEVY
PRIMARY ELECTION

RESOLUTION NUMBER 290

A RESOLUTION OF THE BOARD OF COMMISSIONERS OF WHATCOM COUNTY FIRE PROTECTION DISTRICT NO. 1 PROVIDING FOR THE SUBMISSION TO THE QUALIFIED ELECTORS OF THE DISTRICT AT AN ELECTION TO BE HELD WITHIN THE DISTRICT ON AUGUST 3, 2021, IN CONJUNCTION WITH THE STATE PRIMARY ELECTION TO BE HELD ON THE SAME DATE, OF A PROPOSITION RESTORING THE DISTRICT'S REGULAR PROPERTY TAX TO AN AMOUNT NOT TO EXCEED \$1.40 PER \$1,000.00 OF TRUE AND ASSESSED VALUATION IN 2021 AND ESTABLISHING A THREE PERCENT LIMIT FACTOR SUBJECT TO OTHERWISE APPLICABLE STATUTORY LIMITATIONS FOR THE FOLLOWING FIVE YEARS

Background: WHEREAS, it is the judgment of the Board of Commissioners of the District that it is essential and necessary for the protection of the health and life of the residents of the District that the fire and emergency medical services be provided by the District.

WHEREAS, The Board of Commissioners has determined that the accelerated demands for, and increasing costs of, providing services will necessitate the expenditure of revenues for improved capital facilities and firefighter safety, additional apparatus, maintenance and operations in excess of those which can be provided by the District's regular tax revenue levied at the current rate of approximately \$1.10 per \$1,000.00 of assessed valuation of taxable property within the District as limited by the 101% limitation. The District voters last approved a levy lid lift to \$1.40 per thousand in 2016.

WHEREAS, The District experiences annual cost increases affecting its operations that reflect standard inflationary indices and that consistently exceed the statutory 101% limitation on tax levy increases.

WHEREAS, The District believes that it is reasonable to adopt a growth factor for years 2-6 of the levy lid lift period at a rate of three percent per year to help the District keep up with inflation in Whatcom County.

WHEREAS, The Board of Commissioners has determined that it is in the best interest of the District that the maximum allowable levy in the sixth year of the levy authorized by this Resolution serve as the levy base for purposes of applying the limit factor established by RCW 84.55.010 in subsequent years.

Resolution: NOW, THEREFORE BE IT RESOLVED by the Board of Commissioners of Whatcom County Fire Protection District No. 1 Whatcom County, Washington as follows:

Section 1. It is necessary for the District to operate and maintain emergency fire and medical service vehicles, to acquire and improve station and other capital facilities and to retain properly

trained personnel equipped with proper firefighting and emergency medical equipment. The revenues generated by this lid lift will allow the District to cover the gap between inflation and the statutory one percent limit on increases to the District's budget to fund apparatus replacement and facility upgrades and to provide for investments in firefighter safety all of which are necessary to maintain and improve the level of fire protection, prevention, emergency medical services and the protection of life and property in the District.

Section 2. In order to provide the revenue adequate to pay the costs of maintaining and providing the services described in Section 1 and to assure the continuation and improvement of such services the District shall, in accordance with RCW 84.55.050, remove the one percent limitation on regular property taxes imposed by RCW 84.55.010, and levy beginning in 2021 and collect beginning in 2022, pursuant to RCW 52.16.130, RCW 52.16.140 and RCW 52.16.160, a general tax on taxable property within the District at a rate of \$1.40 per \$1,000.00 of assessed valuation subject to otherwise applicable statutory limits. The District previously levied at the rate at \$1.40 per thousand of assessed valuation in 2016.

Section 3. In order to provide the revenue adequate to pay the costs of providing adequate life protection services and facilities as described in Section 1 and to maintain reserve funds sufficient to assure the continuation of such services beyond 2022, the District has determined that the limit factor for the five succeeding years shall be three percent. Such percentage shall be used to determine the actual levy rate, subject to the maximum statutory rate of \$1.50 per \$1,000.00 of assessed valuation, in 2022-2026. The funds raised under this levy shall not supplant existing funds used for the purposes described in Section 1.

Section 4. The amount levied in 2026 shall serve as the District's tax levy base for purposes of applying the limit factor established by RCW 84.55.010 in subsequent years.

Section 5. There shall be submitted to the qualified electors of the District for their ratification or rejection, at an election on August 3, 2021, in conjunction with the state primary election to be held on the same date the question of whether or not the regular property tax levy of the District should be restored to \$1.40 per \$1,000.00 of true and assessed valuation and be adjusted by 103% for each of the following five years, subject to otherwise applicable statutory limitations. The Board of Commissioners hereby requests the auditor of Whatcom County, as ex-officio Supervisor of Elections, to call such election, and to submit the following proposition at such election, in the form of a ballot title substantially as follows:

Name of Jurisdiction: Whatcom County Fire Protection District No. 1

Should this proposition be: Approved Rejected

Section 6. In accordance with RCW 84.55.050(1), the ballot measure shall require approval of a simple majority of voters.

Section 7. The Board of Commissioners finds and declares that it is in the best interest of the District to have information regarding the ballot measure included in the local voters' pamphlet. Furthermore, that the appropriate costs thereof shall be paid for by the District. The Board of Commissioners further authorizes and directs the Fire Chief to provide such information to the County Elections department for inclusion and to take other actions as necessary to that end. The Board hereby assigns to the Chief or designee the task of appointing members to a committee to advocate voters' approval of the proposition and to a committee to prepare arguments advocating voters' rejection of the proposition.

Section 8. For purposes of receiving notice of any matters related to the ballot title, as provided in RCW 29A.36.080, the Board hereby designates the Chief or designee as the individual to whom the County Auditor shall provide such notice.

Section 10. The Chief, or designee, is hereby authorized and directed, no later than May 14, 2021, to provide to the County Auditor a certified copy of this resolution and the proper District officials are authorized to perform such other duties or take such other actions as are necessary or required by law to the end that the proposition described in this resolution appear on the ballot before the voters at the August 3, 2021 election.
