

## MEMORANDUM

**TO:** Satpal Sidhu, County Executive

**FROM:** Michael McFarlane, Director 

**DATE:** November 8, 2021

**RE:** **Proposed Amendment to Unified Fee Schedule**

---

Parks is proposing changes to the Silver Lake Park and Lighthouse Marine Park camping fees in the current Unified Fee Schedule, to be effective December 1, 2021.

Parks has recently learned it is required to pay Special Hotel/Motel taxes on all transient rental income. This 2% tax, established under chapter 3.36 of the County Code, impacts revenue from all campsites, cabins and overnight lodges.

Additionally, Parks would like to change how customers are charged for showers. Instead of using coin operated meters on each shower, which are subject to frequent vandalism and theft, Parks proposes the enclosed rate increases on campground rentals to cover those costs.
