Hello Brel,
Thanks for your email. The Planning Team is finishing a video tour of the jail this week and should have that available for all SAC members to view very soon. It is my understanding that if, after viewing the video, SAC members would still like to do an in-person tour, that can be arranged (dependent on corrections staff availability, which is limited).
Best,
Cathy

Hi Cathy,

I wanted to check in again about a jail visit. Peter Frazier invited me to join him on a jail tour on Tuesday, but unfortunately I was working and wasn't able to join him. Is it possible to visit another time? I know of at least a couple of other SAC members who would likely be interested in going as well. I'm happy to sign any sort of waiver to make it possible.

Thanks,
Brel
