Members of the Stakeholder Committee for the Justice Project,

This is an opinion regarding the need for a future county jail facility.

Waste Is Not Productive

The Bellis Fair mall has been having financial trouble. It is my opinion that a portion of the facility could be repurposed for a fraction of the cost of design, construction, and planning of a new facility.

North Cascades at Sedro Woolley:

This large facility has great potential for incarcerated and mental health patients. Over 150 acres – state owned at last reported!

I hope that such options will be considered!

Sincerely,

Joel Douglas
