Here is the video mentioned before today's meeting began and two articles that occurred thereafter:

**LYNNWOOD NEW JAIL:**

Former PIO Joanna Small from Lynnwood Police Department created a video about the needs for a new jail. [LINK](#)

The council voted in favor of construction: [LINK](#)

An article that focuses on expenses of the jail to be completed in the year 2023: [LINK](#)

If Whatcom County echoes the efforts created by Joanna Small (she has since moved out of state to be closer to family), the chances are greater for Whatcom County to have a new jail.

Thank you!
