

-  **Bolster Re-entry Support Services** – Establish jail-based and community-based locations where people can receive coordinated re-entry support services such as case management, peer support, and assistance with housing, employment, healthcare, etc.

-  **Ensure ongoing efforts to maintain and expand supportive housing programs include services for people with behavioral health issues and a history of incarceration** (e.g., additional housing facilities, well-trained on-site clinical support, and housing case management services).

▪ **Build the Array of Facilities Needed to Promote Public Health and Safety**

-  **Build a 23-hour Crisis Relief Center** (Behavioral Health Urgent Care open all hours, seven days per week) to enable prompt and appropriate intervention when a person is having a behavioral health crisis to prevent incarceration.

-  **Build a safe and humane jail, coordinating with a Behavioral Health Center** to provide secure, short-term behavioral health treatment as an alternative to jail for people charged with a crime.

-  **Research the feasibility of building additional facilities for voluntary and involuntary treatment of people with serious mental illness and/or substance use disorders.**

▪ **Make Systems Changes with Local, Regional, & State Partners**

-  **Continue to make changes in court systems** to reduce the number of people detained in jail, and the length of time they are held in jail before trial and provide and evaluate options in lieu of bail.

-  **Advocate for a state waiver to allow use of Medicaid funds to pay for jail-based medical and behavioral health services.**

-  **Expedite access to competency restoration services** through advocacy at the state level and exploration and development of outpatient alternatives (e.g., Prosecutorial Diversion Program, Outpatient Treatment).

▪ **Measure and Share Progress for Accountability and Transparency, and Plan for the Future**

-  **Collect data to measure progress toward desired outcomes.**

-  **Develop a data dashboard** for criminal legal system organizations to share data with one another and the public.

-  **Include BIPOC communities and people with lived experience in the oversight of progress and future planning efforts.**
